PUBLIC PARTICIPATION:

Written Comments:

Written public comments may be emailed to the Emerald Lake Hills Design Review Officer (ELH DRO) at eadams@smcgov.org and should include the specific agenda item on which you are commenting, or note that your comment concerns an item that is not on the agenda. If your emailed comment is received at least 24 hours prior to the meeting, it will be made publicly available on the Emerald Lake Hills Design Review Officer Hearing website along with the agenda. To ensure your comment is received and read to the ELH DRO for the appropriate agenda item, please submit your email no less than 30 minutes prior to the meeting time. The County cannot guarantee that emails received less than 30 minutes before the meeting will be read during the meeting, but such emails will still be included in the administrative record of the meeting and will be provided to the ELH DRO after the meeting.

Applicants and members of the public are encouraged to submit materials to staff via email but must do so no less than 30 minutes in advance of a hearing. All materials (including but not limited to models, pictures, videos, etc.) presented by any person speaking on any item on the agenda are considered part of the administrative record for that item, and must be retained by the Design Review Officer until such time as all administrative appeals are exhausted and the time for legal challenge to a decision on the item has passed. If you wish to retain the original of an item, a legible copy must be forwarded to the Design Review Officer. A computer-generated copy of a photograph must be submitted.

DECISIONS AND APPEALS PROCESS:

The ELH DRO will make a decision when design review is the only application being considered, or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decision rulings for a project are appealable to the Planning Commission. Appeals must be filed no later than ten (10) business days following the decision at the San Mateo County Planning Counter (address listed above). If the Planning Counter is still closed during the appeal period due to the COVID-19 emergency, please contact Design Review Officer.
